

# RACE DECALS FAQS

## HOW DO I PLACE AN ORDER?

You can contact us through our facebook page, email address, call, or even stop by our shop located at 6990 NE 14th Street, Suite 3D Ankeny, Iowa.

## WHAT DO YOU NEED FROM ME?

When ordering a wrap or decals, it is best to be as specific as possible in order to help us help you. Important things to note are what **type of car** the decals are for, what **colors** you would like to use, a list of **sponsors**, a filled out measurement sheet, any sort of **design ideas** you may have, and most importantly a **DUE DATE!**

Even if your car is not ready it is crucial to establish a due date so that you and the designer are on the same page. This helps avoid confusion and frustration later when scheduling for installs or shipping.

## IS THERE A DEPOSIT ON ARTWORK?

A new addition to the process this year is that **we are requiring a \$100 deposit on all new artwork** for racing customers. This will go towards your final bill and will need to be paid prior to the start of any design. We are serious about your business and this shows us you are too.

## DO YOU INSTALL?

We offer installation at our shop in Ankeny at an hourly rate of \$100. This generally covers most installs including, late models, modifieds, and stock cars. We can also come to you for an additional fee or ship your wrap to you via UPS. Obviously not all installs are the same and some may require more time however we will communicate this to the customer during setup.

## HOW MUCH ARE OVERLAYS?

This is a common question and while there is no real blanket answer, we can run through a few examples as this is more often than not a case by case basis.

Example Overlay Pricing

Numbers Only \$75

Numbers/Sponsors \$125-150

Numbers/Sponsors/Graphic \$175-225
